2024 Auction Sponsorship Opportunities

This year you can choose to support our general operating fund or underwrite specific programs that the PTA directly supports. That way you choose how to best use your generous donation and keep in mind that any donation helps! We hope that you will consider becoming a sponsor for one of the items below, with the understanding that it will make a tremendous difference in the lives of many of our students. The PTA is committed to supporting vital programs like these to ensure all our students have access to enriching educational fundamentals regardless of their socio-economic status. All 2024 sponsorships will include the following:

- Advertisement of your business leading up to and after the event on the auction event website, PTA social media applications, school newsletter, and email blasts
- Promotion of your business on the first page of the auction program and signage throughout the event
- Two tickets with priority seating at a VIP table, along with a special introduction and recognition by the event Auctioneer
